Relationships are not always squeaky clean ...in fact a real relationship should have some stains, jagged edges and rough spots. This is true because relationships are comprised of people and people are imperfect, messy, in need of repair etc etc.

-Are you willing to be touched by the "unclean"?
-Is what people hear about you causing them to want to partake of the fruit of your life?

1 John 1:9

James 5:16

The Power of Confessing our sins to each other
